Collaborative Entries	Collaborative awards and proposals are marked with "COLL" in front of the "Agency Name" field. The awarded and/or requested amount of funding is listed under the Principal Investigator's (Project Director's) name. Project collaborators have separate entries, although no awarded or requested dollar amount is reported for the project.	
Start Date	Date proposal activity was initiated with the University of Wisconsin-Whitewater Office of Research and Sponsored Programs	
End Date	End date for proposed project period	
Direct Costs	Self-explanatory	

Indirect Costs	<p>Indirect costs, although not readily identifiable with specific projects, are real costs charged to individual grants or contracts to provide reimbursement for certain institutional expenses that cannot be directly charged since they result from shared services, such as libraries, plant operation and maintenance, utility costs, departmental support, research administration expenses, and depreciation or use allowance for buildings and equipment.</p> <p><i>This field is not used in the intramural report; no indirect costs are recovered from grants sponsored by the University.</i></p>
